**A MESSAGE FROM THE IFF PRESIDENT****Welcome to The Women's U19 World Floorball Championships 2026 in Lignano Sabbiadoro & Latisana****Filip Šuman**

President International Floorball Federation

**Dear Floorball Friends,**

Welcome to the 12th Women's U19 World Floorball Championships, held from 6 to 10 May 2026 in the Italian cities of Lignano Sabbiadoro and Latisana!

Since the very first edition in 2004, the U19 WFC has served as the ultimate springboard for emerging talent, uniting the global floorball community through youthful energy, skill, and sportsmanship. This year, the best 16 nations gather to compete for the ultimate prize, with Sweden arriving as the reigning champions following their triumph in Lahti, Finland, in 2024.

This tournament marks a highly significant milestone for our hosts. While the Italian Floorball Federation has successfully welcomed us for several Men's, Women's, and U19 qualification events in the past, we are thrilled to see them step up to host their very first major IFF final tournament. This achievement is a true testament to the hard work, dedication, and steady growth of the floorball community in Italy.

The journey to this World Championship has been a truly global one. We extend a special acknowledgement to both the teams that qualified directly and those that fought fiercely for their places during the January and February qualification tournaments held in Mandurah, Australia, and Berlin, Germany.

For the IFF, watching these young athletes compete is a powerful reminder of why our greatest priority is development. We are actively building a sustainable future where all federations—no matter their size—can grow and thrive. Through ongoing structural changes and the direct support of the 4F (FloorballFitForFuture) programme, we are empowering our member associations worldwide.

As we watch the next generation take the court, we are reminded that development also means daring to innovate. Whether it is through expanding dynamic initiatives like the 3v3 format, or by continuously optimising our competition structures and educational systems, our shared goal is clear. We must ensure floorball remains vibrant, engaging, and ready for the athletes of tomorrow.

On behalf of the International Floorball Federation, I extend my deepest gratitude to the Italian Floorball Federation, the Local Organising Committee, the host cities, sponsors, and the tireless volunteers who have made this historic event possible.

To all the players, coaches, and supporters: embrace this incredible experience, uphold the values of fair play, and show us the bright future of our sport.

**Yours in floorball**

**WOMEN'S POWER**

# Youth Floorball and the Rise of Women's Sport in Italy

Youth floorball and the transformative power of women's sport are coming to Italy, marking a period of extraordinary growth for the entire movement – one that goes beyond mere competition to embody resilience and courage, transforming sport into a means of freedom through which to assert one's worth.

The inclusion of Italian floorball within the wider family of the Italian Hockey Federation and CONI has made it possible to realise this dream, harnessing its potential and supporting this major organisational structure with vision and the utmost commitment.

I would like to extend my heartfelt thanks to the International Floorball Federation for entrusting us with this great challenge, and a special thank you to the Italian Hockey Federation, its President Sergio Mignardi, the local institutions and all the volunteers who, with passion and dedication, will help make this event a success of the highest organisational standard.

A warm welcome to the athletes and their staff, and to the international delegations from 16 nations: for all of them, this World Championship represents a great opportunity for sporting growth, competition and sharing, but also a unique chance to enjoy an unforgettable experience of sport and friendship both on and off the court.

**Sonia Sopranzi**

President of the FIH Floorball Division

**FROM FIH PRESIDENT**

## Statement by FIH President Sergio Mignardi

**Sergio Mignardi**President Federazione Italiana  
Hockey – Floorball – Lacrosse

It is with great pleasure and deep pride that the Italian Floorball Federation welcomes the 2026 Women's U19 World Floorball Championships to Italy, an event of significant sporting and international importance which, from 6 to 10 May, will see 16 teams from all over the world competing in Lignano Sabbiadoro and Latisana. I would like to express my heartfelt thanks to the institutions that have made the organisation of this important event possible: the Friuli-Venezia Giulia Region, the Friuli-Venezia Giulia Regional CONI, and the Municipalities of Lignano Sabbiadoro and Latisana for their support, collaboration and constant focus on the development of sport in the region.

This event represents not only a high-calibre opportunity for young elite athletes to compete, but also an experience of great educational value for all participants, who will have the opportunity to share values, cultures and passions within a highly prestigious international setting. At the same time, the World Championships provide a significant opportunity to promote the region: delegations and guests will be able to discover and appreciate the beauty of Latisana and Lignano Sabbiadoro, contributing to the promotion of tourism and culture in these towns.

Floorball, a sport that is constantly growing and an integral part of the Italian Hockey Federation's wider family, perfectly embodies the values of team sport – “stick, ball and goal” – based on cooperation, respect and a sense of belonging.

On behalf of the Italian Federation, I would like to extend my sincere thanks to everyone who has contributed to the organisation of this event, with a special mention for the volunteers, whose commitment will be crucial to the success of the competition. A special thank you to the President of the International Floorball Federation, Filip Šuman, for his trust and collaboration.

To the participating teams, staff, families and all the fans, I extend my warmest wishes for an unforgettable sporting and human experience, in the spirit of fair play and the truest values of sport.

**Welcome to Italy, and enjoy the World  
Championships, everyone**

## A MESSAGE FROM THE LOCAL AREA

# Where Talent Meets Hospitality

### Welcome in Friuli Venezia Giulia Region!

It is a great honor for me, as a representative of sport in Friuli Venezia Giulia, to welcome you to this prestigious event. Today, we are not merely presenting a sporting event; we are kicking off a celebration of international youth talent that has once again chosen our region and the splendid settings of Lignano Sabbiadoro and Latisana as its houses.

Floorball is a constantly growing discipline: dynamic, fast and deeply inclusive. Seeing the world's best Under-19 athletes here is a testament to how this sport can unite different nations under the banner of fair play and healthy competition.

For our territory, hosting a World Championship is a confirmation of our vocation for hospitality. Lignano Sabbiadoro and Latisana, with its excellent facilities and organizational capacity, proves once again to be an "open-air gym" capable of transforming into a global stage.

A World Championship represents the pinnacle of the youth career for these athletes, to whom I address my most important thought: you are the protagonists. Bring your determination to the court, but take back with you the memory of the beauty and hospitality of our land.

To all of you, I wish a World Championship full of satisfaction and great sport.

**Andrea Marcon**

President of the CONI Regional Committee for Friuli-Venezia Giulia
